## **Toonies for Tummies**

**Toonies for Tummies is happening from February 1-15, 2024, at the Food Basics stores in Caledonia, Dunnville, and Simcoe.**

**One toonie. That's all it takes to fill a tummy with a healthy meal. It's for that reason that the Child Nutrition Network's annual Toonies for Tummies fundraising campaign has been so successful in making a difference in the lives of children across Canada. Toonies for Tummies provides healthy meals and/or snacks to hungry school-aged children in Ontario and Western Canada through school nutrition programs.**

**One of the best things about Toonies for Tummies is it helps improve the lives of children right in our community. Thanks to the support of our grocery partners and sponsors, 100% of all donations stay in the community where they're made. That means you'll be helping children right in your local area.**

**The Foundation invites you to track your toonie at [www.tooniesfortummies.ca](http://www.tooniesfortummies.ca). You can share photos on social media with the hashtag #Toonies4Tummies**

**On behalf of the Child Nutrition Network, thank you in advance for your support!**
