COMPASSIONATE CREW

FORGIVE

The Compassionate Crew continues to build community spirit in March! This month we are celebrating the virtue of FORGIVENESS. Teaching children at an early age how to forgive is an important life lesson that helps them develop empathy, compassion, and emotional resilience. Forgiveness is taught as a choice to let go of anger toward someone who might have hurt them and to think, feel, or act with kindness toward that person. Our Student Council will have 2 spirit days in March: Friday, March 8th is Wear green/Dress like a leprechaun day as we celebrate St. Patrick's Day early before March break and Friday, March 22nd is Twin Day! On March 8th the Compassionate Crew will be leading our students in a St. Patrick's Activity Day for all to enjoy before break! Our Lenten journey continues showing support for our local food banks as we collect Pasta/Sauce (Mar. 4th week), Toiletries/Toothbrushes/Toothpaste (Mar. 18th week). The Compassionate Crew thanks you for all your charitable donations during Lent and willingness to support those in need. Our Bulldog community sham-rocks!
